

Dear Esteemed Customer,

Warm greetings from Ramky!

We wish to inform you that the new Lenders are on board with respect to the Ithaca Project, leading the way for a significant step forward in our efforts to revive the Development. By virtue of MOU dated 07-03-2024 Ramky has initiated steps for kick starting the Project development activities.

As you are aware we have shared the consent letter formats to be provided by the customers indicating their choice of either continuing in the project or Exiting as per the agreed terms and conditions and also for extension of timelines etc. Copies of the same are annexed herewith.

You may kindly note the timelines mentioned for various actions to be taken by the homebuyers as per the MOU dated 07-03-2024. We request you to kindly adhere to the same. Even though we have received responses from a substantial number of homebuyers there are still some who haven't shared their consent. As a special case we are providing a final extension till 30-04-2024 If the consent letter is not received by the extended date it will be to the option of Ramky to consider the consent letter.

In order to speed up the process and provide immediate response to your queries we have appointed dedicated individuals to address all customer queries and facilitate the next steps, whether it involves continuing with the project or opting for an exit as per the terms and conditions agreed earlier. The following are the coordinates of the dedicated CRM resources for addressing any query/Information.

For Tower T1 to T6 the contact person shall be

Name: Prashant Kumar

Email id: [prashant.kumar@ramky.com](mailto:prashant.kumar@ramky.com)
